laid the foundations in creating a culture that embraces the concept of behavior change. It enables all frontline persons to improve their performance behaviors, specifically within the context of customer relationship development.

## **Passion for Excellence 2.0 - Frameworks Online**

A manager with a passion for excellence, quality and accomplishment will benefit an organization. But when a passion for excellence becomes a passion for perfection, everyone suffers. By definition, perfectionists strain compulsively and unceasingly toward unobtainable goals, and measure their self-worth by productivity and accomplishment.
