While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Image stabilizers are handy but manual lenses don't have them. If you use a Sony a7/a7s/a7r you have to carry a tripod more often and achieving focus with longer lenses is a bit harder. Newer Sony cameras like the Sony a7ii or a7rii feature an integrated image stabilizer which works with manual lenses! You need to tell the camera your focal ...

The CC3D is a powerful and affordable flight controller that is very popular to use mainly on miniquad copters due to its small form factor. It has many advanced features that you can use if you add a GPS module, even waypoint based flight,. However, most users don't bother with this for mini quadcopters and just want the basic setup. This post will provide some links and comments to some of ...

For people already with expensive ham radios, the RTL-SDR can be used as a cheap panadapter. A panadapter is device that allows you to visually see the RF spectrum and waterfall being received by the ham radio. There are multiple (expensive) commercial panadapters available, but combined with a PC or laptop, the RTL-SDR will work just as well.In this video YouTube user akdude47 shows a ...
