This is what separates families with minor dysfunction from those where family dysfunction is a serious problem. The term “adult child” is used to describe adults who grew up in alcoholic or dysfunctional homes and who exhibit identifiable traits that reveal past abuse or neglect.

Adult Children of Dysfunctional Families - The Band Back

...

We admitted we were powerless over the effects of alcoholism or other family dysfunction, that our lives had become unmanageable. Came to believe that a power greater than ourselves could restore us to sanity. Made a decision to turn our will and our lives over to the care of God as we understand God.
