Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

Cfesa Training

Education & Training CFESA sets the Standard for Service Excellence. One of the ways we achieve excellence is through our custom designed continuing education and training programs.

CFESA - Service Excellence

CFESA has developed five extensive training programs for foodservice equipment technicians. Our technician training programs cover the basic elements of gas, electric, steam, water and refrigeration.

TRAINING COURSES - CFESA

Several of CFESA's Associate Members already utilize the facility for training. With four fully functional test kitchens and a conference room, we can easily host up to five separate classes at a time. The CFESA Global Training Facility has over 3200 square feet of space that companies can use for any type of training.

CFESA | Commercial Food Equipment Service Association

Our technician training and testing programs cover gas, electric, steam and ware-washing commercial food equipment. All CFESA technician training programs include classroom and hands-on education, and testing on the ability to identify, troubleshoot and repair problems on many types of equipment.

Education and Certifications - CFESA

CFESA's Company Certification program is designed to raise the quality bar in the foodservice industry and to distinguish companies that provide superior service. The program has certification requirements in five areas: 1) financial, 2) education and training, 3) industry participation, 4) industry relations, and 5) professionalism.

CFESA Certified Company - CFESA

CFESA's Operational Management & Owner Seminar Course Cost = \$750 for CFESA Members and \$1500 for Non CFESA Members This two-day course is designed to expand the skill-set of operational management and owners of food service repair companies.
