Start with a piece of paper and a pencil and write a sentence. Then, pass the paper to the next person. They draw what the sentence says. When they're done, fold over the original sentence so it's not visible anymore and just the drawing remains. Give the paper to someone else, who writes a sentence about the drawing.

Best Drawing Paper for Charcoal In general you're going to want paper that's slightly rougher (more tooth) for charcoal drawing as compared to what you would normally use with graphite pencil. The charcoal particles will need that extra tooth to stick to. Again, the Strathmore Brand is my go to source of paper even with charcoal drawing.
