Between Families: Using "I" Messages For Better Communication

Etymology. The name Haiti (or Hayti) comes from the indigenous Taíno language which was the native name given to the entire island of Hispaniola to mean, "land of high mountains." The h is silent in French and the ï in Haïti has a diacritical mark used to show that the second vowel is pronounced separately, as in the word naïve. In English, this rule for the pronunciation is often ...

8th Communication Battalion

In human society, family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth) or affinity (by marriage or other relationship). The purpose of families is to maintain the well-being of its members and of society. Ideally, families would offer predictability, structure, and safety as members mature and participate in the community.
