But the idea that the only thing we have to fear is fear itself was hardly new with Roosevelt. Indeed, it's worth tracing the history of this phrase, because it sheds light on just how popular and widespread both the phrase (albeit with varied wording) and the sentiment were, long before Roosevelt was made President.

'Fear Itself' takes the reader into a tumultuous time in American history: the late 1930s before the start of World War II. Even though America's a melting pot, there were many who held tightly to their cultural beliefs and practices. Most especially are the Germans immigrants who are supporters of Hitler during his rise to power.
