In Super Mario Bros., all castles are made of red bricks (except for the one in World 6-3, which is gray) and all have the same basic shape. The castles can be found at the end of each world, but can also be found at the start of most worlds, aside from World 1, the first level of the game, and World 5, which starts with a fortress instead of a castle.

This has been mentioned before, but mineshafts have looked outdated for a while now, and the updated caves only show the contrast more. I know Mojang has stated that they won't be updating the mineshaft or dungeon in 1.17, so this is a change that could happen either in 1.18, the second half of Caves and Cliffs, or in the update that adds archaeology.
