During the past fortnight, AMA Tasmania has, in consultation with Members, developed our response to the range of matters we had promised for Government's consideration. To meet our commitments, a package of information will be provided to them well in advance of C2009 discussions reconvening (16 July at AMA House).

Out of next week's discussions, AMA Tasmania expects tangible progress on the issues of maintaining your salary's relativity to the mainland and the backdating of our next agreement to 1 July. *C2009 News* will keep you informed (for previous issues [click here](#)).
