Campaign 2009 News

Issue 9 – Wednesday 8th April 2009

AMA Tasmania has assembled a team of Junior and Senior Doctors representing the North and the South of Tasmania to present our C2009 claims to the Premier's delegation. We have confirmed our intention to DHHS to explain our claims and begin discussions the week after Easter.

Last week AMA Tasmania conducted hospital meetings in the four major hospitals. If you missed the opportunity to have your voice heard and to hear what is going on – make sure you attend the next round of meetings (this *Newsletter* will advise dates).
