Starting with a chapter called "So-ooo many questions!" where kids are encouraged to be inquisitive, this book works its way through all the big topics: how boys and girls are the same and different, what their bodies look like, what all the parts are for, what happens to girls and boys as they grow, how sperm and eggs are made, how a baby is made, how the baby grows and lives in the womb, how ...

It's Not the Stork! Book Review - Common Sense Media

It's Not The Stork: A Book About Girls, Boys, Babies, Families And Friends is a thick book with about 60 pages. It is one of those books that is great if you want a book that covers everything in one book. It is not the type of book that you sit down and read in one session unless you want there and sit and read for 3 hours straight.
