An auto mechanic at a garage in Kenya. An auto mechanic (automotive technician in most of North America, light vehicle technician in British English, and motor mechanic in Australian English) is a mechanic with a variety of automobile makes or either in a specific area or in a specific make of automobile. In repairing cars, their main role is to diagnose the problem accurately and quickly.

Auto mechanic - Wikipedia

If the mechanic determines that there is a defect in the materials or quality of the services and we decide to remedy the work or replace a defective part (instead of providing a refund), we will create a new appointment to perform this work and/or replace such part at no cost to you.
