The site isn't called EverywhereElseLust, is it. I dig the throwback golden age porn. If you don't there's a million other places to find modern stuff or some boring Jenna Jameson shit back when every porn star took themselves super seriously and tried to put on a fuck clinic every scene trying to upstage everyone else, Janine, bleh.

This has nothing whatsoever to do with the "newage movement". Animals love the presence of an orgone pyramids. Cats especially have an attraction to organite. I have heard reports of birds, deer and other wild animals coming when these devices have been placed in backyards. Its also nice to see other plant experiments furthering the proof of ...
