Chapter Two: Education as a Social Function 1. The Nature and Meaning of Environment. We have seen that a community or social group sustains itself through continuous self-renewal, and that this renewal takes place by means of the educational growth of the immature members of the group.

Democracy and Education, by John Dewey

Our teardown engineer carefully heated and pried up the glass at the edge of this device, but the cooling adhesive alone was enough to crack the glass on our photo table. Microsoft went to great lengths to make the Surface Pro 3 super portable, thinning it down from the Pro 2's 0.53" to a mere 0.36" thick—but it seems the thinner glass does ...
