Translating China For Western Readers

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (which does not exist in every language) between translating (a written text) and interpreting (oral or signed communication between users of different languages); under this distinction, translation can begin only ...

Queer Representation in Anime Yuuri Katsuki in Yuri!!! on Ice (). I was five years-old when I first entered the closet. I kissed a girl at recess and was scolded by my teacher, "girls shouldn't kiss other girls on the lips." (Note: If you read my name and are confused, this was 15 years pre-transition from female to male.)

Queer Representation in Anime | The Artifice

The I Ching has served for thousands of years as a philosophical taxonomy of the universe, a guide to an ethical life, a manual for rulers, and an oracle of one's personal future and the future of the state. It was an organizing principle or authoritative proof for literary and arts criticism, cartography, medicine, and many of the sciences, and it generated endless Confucian,

What Is the I Ching? | ChinaFile

Unfortunately, English translations of his writings are still limited, and his name remains unknown to readers outside China. Up to the present, I only know of one collection of his novellas in English, Wang in Love and Bondage, which I translated with Jason Sommer, published by SUNY Press in 2007.
