### **Until The End Of Time**

Until the End of Time is Brian Greene's breathtaking new exploration of the cosmos and our quest to find meaning in the face of this vast expanse. Greene takes us on a journey from the big bang to the end of time, exploring how lasting structures formed, how life and mind emerged, and how we grapple with our existence through narrative, myth, religion, creative expression, science, the quest for truth, and a deep longing for the eternal.

### **Until the End of Time: Mind, Matter, and Our Search for ...**

Until the End of Time is an impressive book. It's impressive in fulfilling its ambitious undertaking of explaining how existence is structured through complex patterns, processes and forces created 13.8 billion years ago at the Big Bang and how it's possible to forecast its end.

Signs of the End Times in the Bible. When we look to the Bible to inform us of our end times' perspectives, what we discover is that from the very earliest of times, the Bible fuels our hope that a day will come when the Creator will culminate His own purpose to make right all that sin has broken and destroyed.
